How do I **cash out** of the Momentum Savings Challenge?

How do I **find my next withdrawal** date?

Where is the **"Skip Withdrawal"** feature?

Money can take up to five business days to leave your bank account and reach the QUBER Vault.

Use the "Skip Withdrawal" feature to skip your next withdrawal date and automatically continue with the one after.

Use the Cashout button to move your savings (and any earned incentives) to your bank account.

Focus on completing the Momentum Savings Challenge before you sign up for other QUBER Jars and challenges.
